

9 June 1955

Lt. Gen. Willard S. Paul, USA (Ret)  
Assistant to the Director  
for Plans and Readiness  
Office of Defense Mobilization  
Washington 25, D. C.

Dear General Paul:

Receipt is acknowledged of your letter of 3 June 1955 to Mr. Dulles designating Mr. Lyman C. Hamilton, Jr. as an Inspector to cover the activities of the Central Intelligence Agency during Operation Alert, 1955, on 15, 16, and 17 June. Mr. Hamilton has been in touch with our Relocation Officer and we will be very glad to have him with us.

Because of the particular responsibilities of the Director of Central Intelligence for the protection of sources and methods, we would like very much to review Mr. Hamilton's report before it is submitted. In this way we can advise him concerning any security matters which might be in conflict with the Director's responsibilities. I am sure that this would be to our mutual advantage and trust it will be satisfactory to you.

Sincerely,

151

L. K. White  
Deputy Director
